Wen's Piano Studio teaching policy is subject to change at any time.

Scheduling

Lessons are scheduled on a routine weekly schedule. At the beginning of each month, you will be required to make a tuition payment by cash or check.

Tuition

Tuition will follow one of the following payment plans:

\$40 per 30-minute lesson (\$160-200 per month)

\$55 per 45-minute lesson (\$220-275 per month)

\$70 per 60-minute lesson (\$280-350 per month)

You will receive a statement through email on or before the 1st of each month. The statement will detail your rates and payments and will keep track of scheduled lessons, completed lessons, missed lessons, and other relevant details.

At any time, if you wish to discontinue lessons, there won't be a penalty. I will either invoice you for any unpaid lessons that are received, or refund any additional payments made for the remaining lessons not yet given.

Cancelations

If you must cancel a lesson, make-up lessons won't be rescheduled unless another student had to cancel his or her lesson that week. Up to 2 missed lessons can be refunded for each year. All lessons after the second missed one are nonrefundable. If I cancel or miss any lessons, I will credit you for each missed lesson on your next monthly statement.

(Households with more than one student): If all students in a household are not available for a lesson, but one or more would still wishes to continue the lesson, the unavailable student(s) will forfeit his or her time, and the available student(s) may use that additional time if they wish.
